- Comes standard with non-glare lens, unless otherwise specified
- Double sided adhesive tape and holes for screw mount optional
- Custom lengths available

## dimensions:

Hardware	Shipping
Assembled unit: see catalog	Shipping weights and dimensions vary depending on the quantity of product ordered. Contact your dealer for your specific weights and dimensions.

## additional information:

**Graphic material:**  
Frames can accommodate a multitude of sign substrates from printed paper inserts, laminated printed, cut vinyl, etc. Your sign professional will help you find the material that's right for your project.

- Frames are ADA-compatible, and can accommodate 1/16" engraved/applique lens to comply with ADA requirements
- Custom lengths available
- All lengths measurements (as shown on pg.2) apply to the extrusion only and exclude the end caps

We are continually improving and modifying our product range and reserve the right to vary the specifications without prior notice. All dimensions and weights quoted are approximate and we accept no responsibility for variance. E&OE. See Graphic Templates for graphic bleed specifications.
